Cargo Management Solutions for Commercial Vehicles

CARGO VAN EQUIPMENT for CHEVROLET EXPRESS & GMC SAVANA

2014 GM BUSINESS CHOICE PROGRAM

MAKE YOUR **CARGO VAN** WORK READY!

\$1200 UPFIT CASH*

Get the ultimate in flexibility when you take \$1200 and apply it towards any Adrian Steel upfit.

Anything in this catalog is eligible, including the new Commercial Curb Appeal graphics program!

Create a work ready van with exactly the trade specific equipment you need to do the job.

WHAT IS GM BUSINESS CHOICE?

GM Business Choice is an incentive program designed specifically for business owners who use vehicles in the day-to-day operation of their business and not solely for transportation purposes. This incentive is available when you purchase or lease an eligible Chevrolet or GMC cargo van.

SAVE TIME!

Don't go searching around town for product you need for your GM Cargo Van. Adrian Steel has a comprehensive line of cargo management solutions to get your van upfitted for your trade! You can leave the dealership with a cargo van that is ready to go to work!

COMMERCIAL EXPERTS!

Your GM Dealership and Adrian Steel Distributor can guide you through the upfit process. Utilize their product expertise to get a complete, turn-key work vehicle.

PRODUCT FLEXIBILITY!

Create a work ready van, designed by you, for your specific cargo carrying needs! Organize the interior of your van to suit your trade with Adrian Steel's modular product line. Start with the essentials: a partition, shelving and a roof rack. Then get trade specific by adding drawer units, door kits, hook bars, floor drawers and more!

PROGRAM TIMEFRAME & DETAILS*

The 2014 GM Business Choice Program runs through September 30, 2014. You must purchase or lease your vehicle and take delivery during the program time frame and provide proof of your business. Program is not available in all areas and may not be compatible with other offers or incentive programs. Consult your dealer for complete program details. For more information, please contact your local Adrian Steel Distributor.

*US program only. See website for GM Canada program details.

MOBILIZE YOUR BRAND WITH ADRIAN STEEL'S VEHICLE GRAPHICS PROGRAM.

Adrian Steel and Signature Graphics have partnered to be able to provide you with a complete, work ready van. Go on-line to create the look you want, then have your graphics and interior package installed all at the same time at your local Adrian Steel distributor. This saves time and gets your new van in service and working for you quicker.

NEW VAN, NEW LOOK

The key to commercial graphics is setting yourself apart from the competition. Effective use of color, direct messaging and simple brand identification turn your vehicle into a viable advertising tool.

WHEN CONSIDERING YOUR DESIGN, START WITH THE BASICS:

- Name and logo**
- Phone number and website**
- Services you offer**
- Your essential message**
- Pictures of your product**

BRANDING

More than just your logo, your brand is the total package presented at every point of public contact.

Brands can provide customers with instant and powerful recognition of your business and the services or products that you offer. When you take your brand to the streets, you make an impression on every person you pass.

Completely redesign or just upgrade your image as part of your brand strategy to help grow your business. When it comes to graphics, sometimes less can mean more. While full wraps are an attractive option that we offer, a budget conscious small business owner can have a significant impact on their image without covering the entire vehicle.

IT'S EASY!

Step 1

User logs in and selects vehicle year, make, model, and options. The site is preloaded with most commercial vans and pickups.

Step 2

A blank vehicle will appear on the screen and you are ready to begin designing. The design tool allows users to personalize a professionally designed template, or create a new design from scratch.

Step 3

Once you have finished your new vehicle design you can instantly price the production and installation by clicking the estimate button. Print your quote to share with your local dealer at the time of your vehicle purchase and include the cost in your financing. Within 7-10 days, your vehicle will be ready to roll!

\$1800

Simple design on the side.
Logo on hood or rear door.

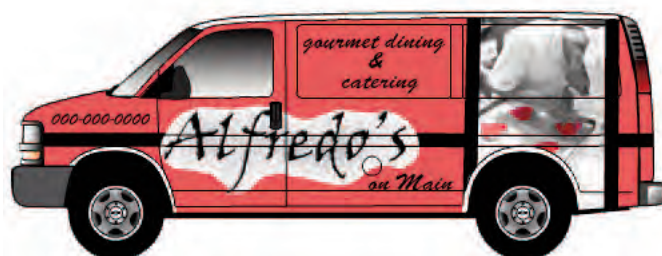

\$2200

More complex design on the side.
Logo on hood and/or rear door.

\$4000

A full wrap with a complex design covering all possible areas.

VINYL 101

CommercialCurbAppeal.com produces your graphics on commercial grade vinyls that are the benchmark of the fleet industry. Fit, finish, durability and removability are all critical when considering your investment so they look as good on day 1 as day 1000.

DIRECTV, Best Buy, TRANE, Geek Squad and Penske are all produced with the exact same films. Rest assured that the 3/36 warranty through your Adrian Steel Distributor includes the graphics.

Installation is made simple through your dealer or Adrian Steel distributor.

NEED MORE REASONS WHY?

CommercialCurbAppeal.com allows you to personalize your vehicle and be sure it positively represents your business.

By adding graphics to the upfitting process your vehicle will be in service faster, saving you time and money.

Graphics through CCA can often be added to your financing package, amortizing your new look over the life of your vehicle.

Graphics will help increase your vehicle visibility and build brand awareness in the community.

Comparatively, vehicle graphics are more affordable than most other advertising options.

BEING NOTICED IS EVERYTHING!

PARTITIONS

ADRIAN STEEL PARTITIONS KEEP CARGO WHERE IT BELONGS, IN THE CARGO AREA!

All hinged door partitions come standard with two 6" hinges, bulb seal and a slam latch. These features reduce vibration noise. Partitions are sold as panel kits and wing kits. Please see application chart below to confirm the appropriate panel kit and wing kit for your vehicle. Partition panel kits and wing kits include assembly and installation fasteners for base van trim level. Higher trim levels may require modifying trim or partition. Wing kits are available in a standard position or an extended position for more leg room.

For the Way You Work!

ADVANCED DESIGN

Stamped steel end panels and shelves, ADseries components are strong, durable and ready to work hard. 6" knock out provides a 48" floor space to accommodate 4'x 8' sheet goods (up to 22 sheets of 1/4" drywall or a combination of thicknesses).

Contoured end panels maximize aisle space by providing 36" in GM full size vans between the panels from the top to bottom.

ADSERIES ADJUSTABLE SHELVING

ADJUSTABLE SHELVES

Tools, equipment and cargo come in all shapes and sizes and until now, there hasn't been a shelving unit that is truly adjustable. The ADseries is the first of it's kind where, with only a screwdriver, you can simply remove the front shelf bolts and move the shelf where you need it. Shelves can be adjusted in one inch increments and provide the most flexible shelving solution available.

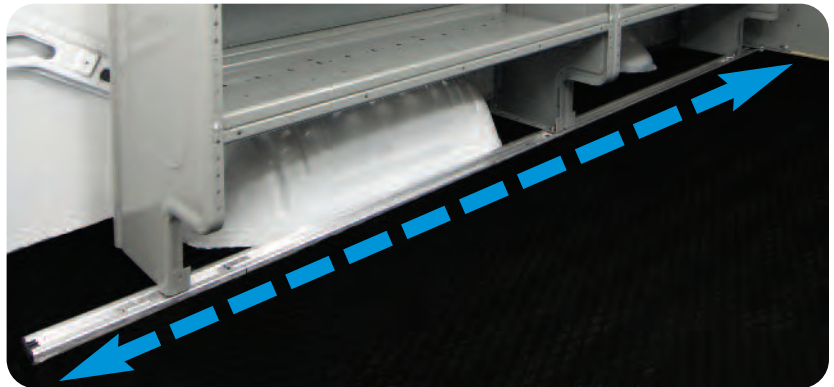

Truly Adjustable Shelves All you need is a phillips screwdriver! Simply remove two bolts from the speed nut clips that come with the shelf, tilt the shelf upwards, move the shelf to your desired location, insert the rear shelf studs, reattach the bolts and you're done!

Rear Shelf Studs unique design lock shelves in place!

ADAPTABLE INTERIOR

Everyone likes to set their work van up their own way. The new ADseries shelving lets you position the shelving where you need it. Exclusive to the ADseries, the unique rail system enables you to reposition the shelving in the van, increasing the available space for trade specific equipment. All of this is done without removing bolts, plugging holes and redrilling the van!

ADD ACCESSORIES

Businesses change over time and your van interior should be able to change with your needs. Plug and Play shelves have prepunched holes that allow adding storage solutions easily! ADseries dividers simply snap in place, drawer units simply bolt in and door kits can be added to lock your more valuable parts and equipment. Many Adrian Steel accessories can be added to the ADseries shelving with the rail adapter kits and end panel brackets.

WELDED SHELVING

ADRIAN'S 44 SERIES OF WELDED SHELVING IS SOLID, STRONG AND FUNCTIONAL.

The 44 Series features a top shelf that has been lowered to be more functional allowing you to divide the shelves or add our popular blue bins. The mid and lower shelves are more functional with the ability to add door kits, DC drawer units, Lock and Latch drawer units, dividers and blue bins. The best selling shelf unit just got better.

Features and Benefits

- All shelves welded to end panels – greater weight capacity and reduces cargo noise.
- Contoured end panels provide a flush fit to van wall and maximizes aisle space.
- Welded back panel for containment and reinforcement.
- Shelving can be installed in any position within the van.
- All shelving is finished with Steel Cote™ – a powder coat, diamond-hard finish that resists scratching and chipping better than standard paint finishes.
- Now three sizes available – 32", 42" and 50" wide models.

Adrian Steel products are commercial grade and warranted for 3 years/36,000 miles.

HEAVY DUTY UTILITY SHELVES

- Constructed from heavier gauge steel.
- Welded dividers maximize carrying capacity.
- Divided top tray is 3" deep for increased rigidity.

LADDER KEEPER

STORING LADDERS INSIDE YOUR WORK VAN IS EASY AS 1, 2, 3, WITH OUR NEW LADDER KEEPER.

Designed to be loaded from outside the vehicle, the Ladder Keeper features a spring-loaded clamp that holds the ladder securely in place. Just set the top of the ladder in the front clamp bracket and push it forward until the bottom of the ladder sits in the rear clamp bracket. Can be mounted to the ceiling or wall of the vehicle to keep ladders inside and out of the elements.

Ladder Keeper includes all parts needed to carry up to a 6' ladder in a regular wheel-base van and an 8' ladder in a long wheelbase van. To accommodate larger vehicles or ladders, you will require the LKX extension that provides 4' of additional track.

LK8 - Ladder Keeper Interior Ladder Rack for GM FSV

LKX - Four foot Extension for GM FSV

Store ladders inside your van with the Ladder Keeper!

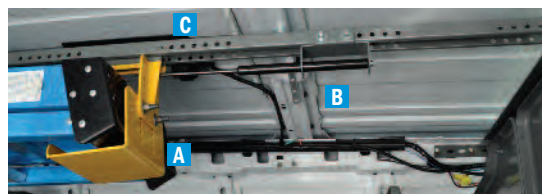

1 Simply press ladder inward to release rear ladder rung from the rear clamp bracket.

2 Walk the ladder back as the front clamp bracket glides on the track.

3 Remove front rung from the front clamp bracket and you're ready to go to the job site!

- A** Plastic coated clamps protect ladder rungs
- B** Gas spring compresses ladder for quiet and secure transportation
- C** Extruded track makes loading and unloading simple

MAKE YOUR NEXT VAN A WORK READY VAN!

Arrive at your next jobsite in style with a work van that has the equipment you need and a colorful graphic telling everyone the work that you do. A liner kit protects van walls from dings and paint splashes and a partition keeps all those paint cans safely in the cargo area. Add a roof or interior ladder rack to keep your ladders off the floor. Wrap it up with a custom graphic from Commercial Curb Appeal and you are ready to paint the town!

FLORAL DELIVERY UPFITS

BUILD BRAND AWARENESS WITH EACH DELIVERY!

Upfit your floral delivery van with a Durafloor and cargo partition. The Durafloor provides a durable, flat surface to keep vases, planters and displays upright for flawless delivery. The new customers that find you when you are making deliveries in your van with a graphic wrap from Commercial Curb Appeal will leave you smelling like a rose.

Durafloor Cargo Mats This floor system superior to plywood or rubber matting. It is a non-slip material that is odorless, non-toxic and easy to use.
