

WALK-IN HEIGHT UTILITY SERVICE VAN

UTILITY SERVICE VAN

STAHL's Walk-In Height Utility Service Van is a versatile workshop on wheels. Its sleek exterior body and full-height compartment doors help enhance your company image while giving you maximum access to all of your tools and equipment. Each body compartment along with the loadspace area can be configured with optional drawers, trays, lights, and more to fit your specific application needs. Constructed of powder coated Galvanneal steel, the USV also comes standard with fully concealed bolt-on door hinges, stainless steel latches and L.E.D. lights - all making it a great looking service van ideally suited for your business!

WORK STANDING UP

74" vertical clearance gives enough interior height for the loadspace to be use as a work shop!

HIGH SECURITY / LOW MAINTENANCE

Hidden door hinges provide added security while their bolt-on design makes them maintenance-friendly

Pictured with optional Conduit Doors

STAHL

LONG LASTING GOOD LOOKS

The body exterior, compartment interiors and cargo area surfaces are finished in durable, corrosion-resistant white powder coat

PROTECTION FOR VALUABLES

Keyed-alike locks on each compartment door keep valuables secure. Push-pull bar locks with padlock tabs also provide a second level of security

Covered by a 5-Year "No Rust, No Bust" warranty

Some of our many standard features include:

Hidden Bolt-On Hinges

Stainless Steel Latches

Bar Locks (Push-Pull)

74" Inside Clearance
